

HARD SURFACE CLEANERS & SANITIZERS

HAND SANITIZERS

Gel Hand Sanitizer

- 70% alcohol based anti-bacterial hand sanitizer gel.
- Meets and exceeds CDC levels for maximum protection & kills 99.9% of germs & bacteria.
- Contains moisturizing ingredients including aloe.
- Manufactured in FDA Approved facility.
- FDA Registered label
- Available in multiple sizes.

EPA REGISTERED SANITIZERS

Oxysan Acid Sanitizer

- 5.3% peracetic acid for sanitizing hard, non-porous food contact surfaces and equipment.
- Use at low concentrations for broad-spectrum kill of gram-positive and gram-negative bacteria.
- Can be used as a pipeline acid rinse and sanitizer in one convenient product.
- Rapidly sanitizes at a range of temperatures.
- No-rinse, non-foaming formula ideal for circulation clean-in-place (CIP) systems

AgroSan Plus Acid Sanitizer

- AgroSan Plus Acid Sanitizer is a concentrated, EPA registered non-iodine sanitizer.
- Log 7 Kill Rate is highly effective against gram-positive and gram-negative bacteria.
- Low pH provides rapid bactericidal action.
- Removes water scale and mineral build-up.
- Controls Escherichia coli (ATCC# 11229) and Staphylococcus aureus (ATCC# 6538) when used as directed.

SURFACE CLEANERS

CD-114

- Chlorine dioxide cleaner and deodorizer for use on hard, non-porous surfaces.
- Cleans and eliminates odors.
- Contains penetrating surfactants to lift dirt and debris.
- Use for foam, high pressure or manual cleaning.

Control 885

- Quaternary based cleaner and deodorizer for hard surfaces.
- Contains cleaning surfactants; easily removing dirt from surface and eliminating odors.
- Pleasant smell, no overpowering chemical odor.
- Phosphate-free, pH Neutral cleaner is safe for all surfaces that can get wet.
- Use for foam, high pressure or manual cleaning

High Foaming Acid and High Foaming Alkaline Cleaner

- Provides a rich foam which clings to vertical surfaces increasing penetration time.
- Provides excellent sheeting action for quick, spot free drying
- Use on exterior surfaces of storage tanks, vats, processing surfaces, utensils and similar.
- Available in Acid or Alkaline formula.

Chlorisol Manual Cleaner

- Alkaline based, heavy-duty chlorinated general all purpose cleaner.

Ultimate Brew Cleaner

- Powdered non-caustic oxygenated all-purpose cleaner for hard surfaces
- Effectively cleans items that can't be reached
- Effective in removing protein soils found in tanks, pipes, pails, buckets smaller parts and outside surface equipment.
