SPECIFICATION DATA

pH	<1.0
Color	Clear, Red
Fragrance	Pungent
Appearance	Liquid
EPA Registration No.	82808-10
Composition	Phosphoric Acid 11% Sulfuric Acid 12% Propionic Acid 10% Decanoic Acid 3% Nonanoic Acid 3%

DIRECTIONS FOR USE

An effective sanitizer against *Escherichia coli* (ATCC 11229) and *Staphylococcus aureus* (ATCC# 6538). For use on stainless steel and hard non-porous food contact surfaces. Clean all surfaces thoroughly and rinse with water. Sanitize equipment prior to use. Use immersion, circulation or coarse spray sanitizing techniques as appropriate.

For sanitizing by immersion or circulation, use AGROSAN PLUS at 1 ounce to 6 gallons of water. For coarse spray sanitizing use AGROSAN PLUS at 1 ounce to 3 gallons of water. All surfaces must be exposed to the sanitizing solution for a period of 2 minutes. Drain thoroughly and then air dry.

Continual use of AGROSAN PLUS at 1 ounce to 6 gallons of water will prevent the formation of mineralstone on processing equipment.

Note: For Mechanical Operations prepared use solutions may not be reused for sanitizing, but may be reused for other purposes, such as cleaning.

SAFETY & DANGER

NOT FOR HUMAN USE.

FOR FARM AND INDUSTRIAL USE ONLY.

KEEP OUT OF REACH OF CHILDREN.

KEEP OUT OF EYES- MAY CAUSE SERIOUS AND PERMANENT DAMAGE. HARMFUL BY
